## VINTON CRUISE

### ... Up a creek

The 2016 Cedar Boat Club Vinton Cruise will take place Saturday June 4<sup>th</sup>, 2016. This is a loosely organized group of boats that travel upriver together or in groups. We go upriver until we get to Vinton, run out of gas, or run out of guts, but we never run out of fun. After the cruise is over, we will come back down river to have food on the beach. No one knows yet which beach this will be on because it depends on river level which is likely to change. Check back on the web site at [www.cedarboatclub.org](http://www.cedarboatclub.org) for updates, or look for us on the beach. In the event of rain, join us in the clubhouse for food and a good time anyways.

At this time, we expect the beach to be “Pillars Beach”. There is also a really nice beach again this year on the West side of Pillars Beach. That beach is private property, but owned by friends of the CBC so we may end up there.

No need to RSVP, but if you need further information contact David Petersen [david\\_petersen5@hotmail.com](mailto:david_petersen5@hotmail.com) or any board member. Cost is free to members, spouses and your children, \$5 per person for non-members.
